We, the undersigned legally constituted State Canvassing Board, as required by law, canvassed on November 24, 2020 the certified copies of the County Canvassing Board Reports received from the County Auditors which report the votes cast at the November 3, 2020 State General Election for Presidential Electors, United States Senator, United States Representative, State Senator, State Representative, and State Judicial Offices, as required by Minnesota Statutes section 204C.33. We have specified in the following report the names of persons reported as receiving votes and the number received by each in the several counties in which they were cast. This report also includes the results of state and federal offices located completely within one county, as reported and certified by those counties.

We have also received the report of the 2020 Post-Election Review, held pursuant to law, containing the changes in the number of votes counted for candidates for the offices of Presidential Electors, United States Senator, and United States Representative, in the precincts reviewed in each county of this State. Pursuant to Minnesota Statutes, Section 206.89 we have incorporated the indicated changes into the following report of the votes cast at the 2020 State General Election.

We specify in the following report the names of persons who received votes and the number received by each in the several counties in which they were cast. The candidate who received the highest number of votes cast for each office voted on in more than one county is hereby declared elected.
