

## 2024 STATE CANVASSING BOARD CERTIFICATE

We, the undersigned legally constituted State Canvassing Board, canvassed on November 21, 2024 the certified copies of the County Canvassing Board Reports received from the County Auditors which report the votes cast at the November 5, 2024 State General Election for Presidential Electors, United States Senator, United States Representative, State Senator, State Representative, State Judicial Offices, and the votes cast for and against the proposed Constitutional Amendment, as required by Minnesota Statutes section 204C.33. The Board

We have also received the report of the 2024 Post-Election Review, held pursuant to law, containing the changes in the number of votes counted for candidates for the offices of Presidential Electors, United States Senator, and United States Representative, in the precincts reviewed in each county of this State. Pursuant to Minnesota Statutes, Section 206.89 we have incorporated the indicated changes into the following report of the votes cast at the 2024 State General Election.

We specify in the following report the names of persons who received votes, the number received by each candidate in the several counties in which they were cast, and the votes cast for and against the proposed Constitutional Amendment. The candidate who received the highest number of votes cast for each office voted on in more than one county is hereby declared elected. This report also includes the names of candidates, and their vote totals, for offices located completely within one county whose results have been reported and certified to us by those counties.
